

Tenant Homeowners INSURANCE PROTECTION

Provided by HUB International
Insurance Brokers

As a tenant, have you considered what would happen if your personal property is lost or stolen? Unless you've purchased a Tenant Homeowner Policy, also known as a Renter's Policy, you could incur considerable out of pocket expenses to replace stolen or damaged furniture, clothing, jewelry, computer equipment and other personal property.

A specialist from HUB International Insurance Brokers, one of the nation's leading personal insurance brokers, can help you obtain the Tenant Homeowner Insurance that best meets your needs. We'll help you objectively assess your potential risks and select coverage that's right for you. Some important coverage options include:

Policy Provides Coverage For:

Personal Liability Coverage....this important coverage protects you if you are sued for causing accidental bodily injury or damage to the property of others.

Theft Coverage....if your valuables are stolen, this coverage provides protection.

Replacement Cost Coverage....in the event of a loss to your personal property, replacement cost coverage safeguards you against depreciation and pays for you to fully replace the item.

Water Backup Option*....this coverage provides protection for damages caused by water backup through sewers and drains.

*May not be available from some insurers.
